NARRATIVE:

Mitchell has an extensive adult criminal history that began at the age of 19. His convictions include carrying a concealed weapon, receiving stolen property, possessing an illegal switch blade knife, multiple drug charges, vehicle tampering, failure to appear, burglary, attempted prison escape, and violation of parole. He has served multiple state prison terms the longest a 4 year term for narcotics sales. Mitchell was released from state prison to the supervision of the Los Angeles County Probation Department on July 19th, 2012. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in February 2014 after he absconded from post release community supervision (PRCS). Mitchell qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for the charge of possession of controlled substances is defined as non-serious and non-violent under the California penal code. His prior criminal history, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
